

Logo for Life Insurance Company

Create a file of 550x400 parameters and 72 dpi. Using the instrument draw an apple tree like this one. The color code is 007e1d.

Choose the same instrument to draw a leaf to our apple.

Inside every leaf, draw leaves of different colors. The color code is 007e1d.

Take the instrument and right the text with the font Impact and 36 tp.

Display the text using Free Transform function, like in the picture above.

Using the instrument , draw a big point.

The final result!
